SAFETY INSTRUCTIONS

Please keep in mind the following important instructions for the safe use of the light: Modifying the light's structure is strictly prohibited. Keep it out of the reach of children. Take precautions during assembly to prevent damage. Ensure that no moisture enters the connection areas during maintenance. Please recycle the product after its service life ends. Replace the entire luminaire when the light source reaches the end of its life.

This marking indicates that this product should not be disposed of with other household waste throughout the UK and EU. To prevent potential harm to the environment or human health from uncontrolled waste disposal, please recycle it responsibly to encourage sustainable reuse of material resources.
